However, it is essential that sharing practices always comply with legal and ethical standards, particularly regarding copyright and licensing.

When sharing *By Pastor George Pearsons* with peers, users should ensure that the copy being shared is legally permitted for distribution. Public domain works, open-access materials, or files explicitly licensed for sharing can be distributed freely. For paid or copyrighted editions, sharing should be limited to official links, publisher platforms, or access methods allowed by the license. Respecting copyright protects creators and ensures the continued availability of high-quality content.

Collaborative annotation is one of the most valuable features of digital documents. Using cloud-based PDF readers or note-sharing applications, multiple users can highlight text, add comments, and discuss specific sections of *By Pastor George Pearsons* in real time or asynchronously. Best practices for collaborative use

To ensure smooth collaboration, users should define roles and expectations in advance.
