Repetition is vital for cementing new knowledge. * **Use a Dictionary (Sparingly):** While the goal is to learn through context, having a Spanish-English dictionary or a reliable online translator can be helpful for clarification. However, try to rely on the workbook's context and your existing knowledge first. * **Make it a Habit, Not a Chore:** Find ways to make your workbook sessions enjoyable. Perhaps listen to Spanish music in the background or reward yourself after completing a challenging section.
