Partnering with influencers and offering referral programs can also boost visibility.
7	Should I specialize in a niche or offer a broad range of travel services?	Specializing allows you to become an expert in a specific area, attract a dedicated clientele, and command higher prices. A broader offering might attract more clients initially but can make it harder to stand out.

8	What are common mistakes new travel business owners make and how can I avoid them?	Common pitfalls include underestimating startup costs, neglecting marketing, failing to build strong supplier relationships, and not understanding legal and financial obligations. Thorough planning and continuous learning are key to avoidance.
9	How do I set competitive and profitable pricing for my travel services?	Research competitor pricing, understand your costs (including your time), and factor in the value you provide. Consider different pricing models like service fees, commissions, or package deals. Always be transparent with your clients about costs.
