The popularity of PDF files is driven by their universal compatibility and ease of sharing. Most devices come with built-in PDF viewers, eliminating the need for specialized software. This allows users to access *Mary Higgins Clark I LI Be Seeing You* instantly without technical barriers. Additionally, PDFs support advanced features such as hyperlinks, bookmarks, embedded media, and interactive elements, making them versatile for many use cases.

Optimizing PDF readability for better user experience

Readability is crucial, especially for long documents. Adjusting zoom levels, page layouts, and display modes can greatly enhance comfort during reading sessions.
