The Indus Valley Civilization: Beyond the Mystique

One of Thapar's earliest and most impactful works, *The History of India, Vol. 1* (published in 1966, and later revised), offered a groundbreaking re-examination of the Indus Valley Civilization (Harappan Civilization). Before her work, the understanding of this ancient civilization was often speculative, marred by theories of Aryan invasion and a limited grasp of its social and political structures. This approach has been crucial in fostering a more inclusive and nuanced understanding of India's historical trajectory, moving beyond the simplistic dichotomy of 'ancient India' versus 'modern India'. She has also been a vocal critic of the manipulation of history for political purposes, especially in contemporary India.
