The Story of FernGully: A Magical Rainforest Under Threat

At its core, FernGully is the story of Crysta, a young, curious fairy who lives in a magical rainforest untouched by human hands – until, that is, the arrival of Hexxus. Hexxus is a spirit of pollution, born from the destructive practices of logging operations. When Crysta accidentally shrinks a young human lumberjack named Zak, she finds herself in a position to learn about the outside world and the dangers it poses to her home. This unlikely friendship between a fairy and a human forms the emotional backbone of the film. Crysta, with her innocence and unwavering love for her forest home, teaches Zak the importance of what he's about to destroy. Zak, in turn, offers Crysta a glimpse into the human world, its complexities, and its potential for both destruction and redemption. The journey they embark on, aided by their friends Pips (a mischievous fairy) and Bat (a wise elder), is one of courage, discovery, and ultimately, the fight for survival. The *FernGully: The Last Rainforest DVD* captures this narrative with stunning animation and heartfelt voice acting.
