Provenance and Authenticity

The history of ownership (provenance) is paramount. A painting in excellent condition will naturally be more desirable and valuable.

Size and Medium

While Olley is known for her oils, she also worked in other mediums. Larger canvases and works executed in oil paint generally tend to achieve higher prices than smaller works or those in other mediums, though this is not always the definitive factor. Subject matter also plays a role; certain iconic still life compositions or portraits might be more sought after.
