The STAR Method: Your Secret Weapon for Behavioral Questions

What does a typical day look like? What are the opportunities for professional development? * **Questions about the Team/Company:** How would you describe the team culture? What are the company's top priorities for the next year? How does the company support employee growth? * **Questions about the Interviewer's Experience:** What do you enjoy most about working here? (This can foster a connection). Avoid asking questions that are easily answered by a quick look at the company website or the job description. This shows you haven't done your homework.
